

## SAFETY DATA SHEET

### TEC® CARPET PAD ADHESIVE

Version 1.0

Revision Date 11/12/2025

#### SECTION 1. PRODUCT AND COMPANY IDENTIFICATION

Product name : TEC® CARPET PAD ADHESIVE  
Product code : 100000014856

##### Manufacturer or supplier's details

Company : TEC Specialty Products  
Address : 1105 South Frontenac  
Aurora, IL, 60504  
Telephone : 800-832-9023

Medical Emergency Phone Number (24 Hours) : 1-800-424-9300

Transport Emergency Phone Number (CHEMTREC): 1-800-424-9300

##### Recommended use of the chemical and restrictions on use

Recommended use : Mastic

#### SECTION 2. HAZARDS IDENTIFICATION

##### Emergency Overview

|            |                |
|------------|----------------|
| Appearance | viscous liquid |
| Color      | yellow         |
| Odor       | aromatic       |

##### GHS Classification

Skin sensitization : Category 1

##### GHS label elements

Hazard pictograms :

Signal Word : Warning

##### Hazard Statements:

H317 May cause an allergic skin reaction.

##### Precautionary Statements:

**Prevention:** P261 Avoid breathing mist or vapors. P272 Contaminated work clothing must not be allowed out of the workplace. P280 Wear protective gloves.**Response:** P302 + P352 IF ON SKIN: Wash with plenty of water. P333 + P313 If skin irritation or rash occurs: Get medical advice/ attention. P362 + P364 Take off contaminated clothing and wash it

**SAFETY DATA SHEET****TEC® CARPET PAD ADHESIVE**

Revision Date 11/12/2025

before reuse.

**Disposal:** P501 Dispose of contents/ container to an approved waste disposal plant.**Potential Health Effects****Carcinogenicity:****IARC**

No ingredient of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.

No ingredient of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.

**OSHA**

No component of this product present at levels greater than or equal to 0.1% is on OSHA's list of regulated carcinogens.

No component of this product present at levels greater than or equal to 0.1% is on OSHA's list of regulated carcinogens.

**NTP**

No ingredient of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.

No ingredient of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.

**SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS**

Substance / Mixture : Mixture

**Hazardous ingredients**

| Chemical name                          | CAS-No.    | Concentration [%] |
|----------------------------------------|------------|-------------------|
| kaolin                                 | 1332-58-7  | 10 - 30           |
| Mineral oil                            | 64742-52-5 | 5 - 10            |
| Rosin, maleated, polymer with glycerol | 68038-41-5 | 1 - 5             |

**SECTION 4. FIRST AID MEASURES**

- General advice : In the case of accident or if you feel unwell, seek medical advice immediately.
- If inhaled : Remove person to fresh air. If signs/symptoms continue, get medical attention.
- In case of skin contact : Wash off with soap and water.  
Get medical attention if irritation develops and persists.
- In case of eye contact : Flush eyes with water at least 15 minutes. Get medical attention if eye irritation develops or persists.

## SAFETY DATA SHEET

### TEC® CARPET PAD ADHESIVE

Version 1.0

Revision Date 11/12/2025

- |                                                             |   |                                                                                                                  |
|-------------------------------------------------------------|---|------------------------------------------------------------------------------------------------------------------|
| If swallowed                                                | : | Do not induce vomiting. Seek medical attention if symptoms develop. Provide medical care provider with this SDS. |
| Most important symptoms and effects, both acute and delayed | : | May cause an allergic skin reaction.                                                                             |

#### SECTION 5. FIRE-FIGHTING MEASURES

- |                                                |   |                                                                                                                   |
|------------------------------------------------|---|-------------------------------------------------------------------------------------------------------------------|
| Suitable extinguishing media                   | : | Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.                                          |
| Unsuitable extinguishing media                 | : | None known.                                                                                                       |
| Hazardous combustion products                  | : | No hazardous combustion products are known                                                                        |
| Specific extinguishing methods                 | : |                                                                                                                   |
| Further information                            | : | Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.           |
| Special protective equipment for fire-fighters | : | Wear an approved positive pressure self-contained breathing apparatus in addition to standard fire fighting gear. |

#### SECTION 6. ACCIDENTAL RELEASE MEASURES

- |                                                                     |   |                                                                                       |
|---------------------------------------------------------------------|---|---------------------------------------------------------------------------------------|
| Personal precautions, protective equipment and emergency procedures | : | Refer to protective measures listed in sections 7 and 8.                              |
| Environmental precautions                                           | : | Prevent product from entering drains.<br>Should not be released into the environment. |
| Methods and materials for containment and cleaning up               | : | Ventilate the area.<br>Scrape up.<br>Shovel into suitable container for disposal.     |

#### SECTION 7. HANDLING AND STORAGE

- |                             |   |                                                                                                   |
|-----------------------------|---|---------------------------------------------------------------------------------------------------|
| Local/Total ventilation     | : | Use only with adequate ventilation.                                                               |
| Advice on safe handling     | : | Use only with adequate ventilation/personal protection.<br>Keep container closed when not in use. |
| Conditions for safe storage | : | Keep container tightly closed in a dry and well-ventilated place.                                 |

## SAFETY DATA SHEET

### TEC® CARPET PAD ADHESIVE

Version 1.0

Revision Date 11/12/2025

Store in original container.

Materials to avoid : Do not store together with oxidizing and self-igniting products.  
Do not freeze.

### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

#### Ingredients with workplace control parameters

| Components  | CAS-No.    | Value type<br>(Form of exposure)       | Control parameters /<br>Permissible concentration | Basis     |
|-------------|------------|----------------------------------------|---------------------------------------------------|-----------|
| kaolin      | 1332-58-7  | TWA<br>(Respirable particulate matter) | 2 mg/m3                                           | ACGIH     |
|             |            | TWA (total dust)                       | 15 mg/m3                                          | OSHA Z-1  |
|             |            | TWA (respirable fraction)              | 5 mg/m3                                           | OSHA Z-1  |
|             |            | TWA (Total)                            | 10 mg/m3                                          | OSHA P0   |
|             |            | TWA (Respirable fraction)              | 5 mg/m3                                           | OSHA P0   |
|             |            | TWA (Total dust)                       | 10 mg/m3                                          | OSHA P0   |
|             |            | TWA (respirable dust fraction)         | 5 mg/m3                                           | OSHA P0   |
| Mineral oil | 64742-52-5 | TWA (Mist)                             | 5 mg/m3                                           | OSHA Z-1  |
|             |            | TWA (Inhalable particulate matter)     | 5 mg/m3                                           | ACGIH     |
|             |            | TWA                                    | 5 mg/m3                                           | OSHA P0   |
|             |            | TWA (Mist)                             | 5 mg/m3                                           | NIOSH REL |
|             |            | ST (Mist)                              | 10 mg/m3                                          | NIOSH REL |
|             |            | TWA (Mist)                             | 5 mg/m3                                           | OSHA P0   |
|             |            | TWA (Mist)                             | 5 mg/m3                                           | OSHA Z-1  |
|             |            | TWA (Mist)                             | 5 mg/m3                                           | OSHA P0   |
|             |            | TWA (Mist)                             | 5 mg/m3                                           | NIOSH REL |
|             |            | ST (Mist)                              | 10 mg/m3                                          | NIOSH REL |
|             |            | PEL (particulate)                      | 5 mg/m3                                           | CAL PEL   |

#### Personal protective equipment

## SAFETY DATA SHEET

### TEC® CARPET PAD ADHESIVE

Version 1.0

Revision Date 11/12/2025

---

|                             |                                                                                                                                  |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Respiratory protection      | : In the case of dust or aerosol formation use respirator with an approved filter.<br>Use NIOSH approved respiratory protection. |
| Filter type                 | : Dust/mist/aerosol                                                                                                              |
| Hand protection<br>Material | : Nitrile rubber                                                                                                                 |
| Eye protection              | : Safety glasses with side-shields                                                                                               |
| Skin and body protection    | : Skin should be washed after contact.                                                                                           |
| Protective measures         | : Avoid contact with skin.                                                                                                       |
| Hygiene measures            | : Avoid contact with skin, eyes and clothing.                                                                                    |

---

| Partition coefficient: n-octanol/water | : no data available                             |
| Autoignition temperature               | : is not determined                             |
| Viscosity                              |                                                 |
| Viscosity, kinematic                   | : is not determined                             |

## SAFETY DATA SHEET

### TEC® CARPET PAD ADHESIVE

Version 1.0

Revision Date 11/12/2025

---

#### SECTION 10. STABILITY AND REACTIVITY

Chemical stability : The product is chemically stable.

Hazardous decomposition products : No decomposition if stored and applied as directed.

---

#### SECTION 11. TOXICOLOGICAL INFORMATION

**Acute toxicity**

No data available

**Skin corrosion/irritation**

No data available

**Serious eye damage/eye irritation**

No data available

**Respiratory or skin sensitization**

No data available

**Germ cell mutagenicity**

No data available

**Carcinogenicity**

No data available

**Reproductive toxicity**

No data available

**STOT-single exposure**

No data available

**STOT-repeated exposure**

No data available

**Aspiration toxicity**

No data available

---

#### SECTION 12. ECOLOGICAL INFORMATION

**Ecotoxicity**

## SAFETY DATA SHEET

### TEC® CARPET PAD ADHESIVE

Version 1.0

Revision Date 11/12/2025

No data available

**Persistence and degradability**

No data available

**Bioaccumulative potential****Mobility in soil**

No data available

**Other adverse effects**

No data available

#### SECTION 13. DISPOSAL CONSIDERATIONS

**Disposal methods**

Waste from residues

: To the best of our knowledge, this product does not meet the definition of hazardous waste under the U.S. EPA Hazardous Waste Regulations 40 CFR 261. Solidify and dispose of in an approved landfill. Consult state, local or provincial authorities for more restrictive requirements.  
The hazard and precautionary statements displayed on the label also apply to any residues left in the container. Do not dispose of waste into sewer.

#### SECTION 14. TRANSPORT INFORMATION

**International Regulations****UNRTDG**

Not regulated as a dangerous good

**IATA-DGR**

Not regulated as a dangerous good

**IMDG-Code**

Not regulated as a dangerous good

**Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code**

Not applicable for product as supplied.

**Domestic regulation****49 CFR**

Not regulated as a dangerous good

#### SECTION 15. REGULATORY INFORMATION

**SAFETY DATA SHEET****TEC® CARPET PAD ADHESIVE**

Version 1.0

Revision Date 11/12/2025

**SARA 311/312 Hazards** : Respiratory or skin sensitization**SARA 302** : This material does not contain any components with a section 302 EHS TPQ.**SARA 313** : This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.**Clean Air Act**

This product does not contain any hazardous air pollutants (HAP), as defined by the U.S. Clean Air Act Section 112 (40 CFR 61).

**US State Regulations****California Prop 65** Please contact Supplier for more information.**The ingredients of this product are reported in the following inventories:**

**TSCA** All substances listed as active on the TSCA inventory  
**AIIC** On the inventory, or in compliance with the inventory
